Dear \_\_\_\_\_,

Beginning in May 2009 the District will begin our annual weed abatement program.

In the event that you would like the District to handle weed abatements on your property, please send the completed "Request for Weed Abatement Services" form, which is included with this letter, with your check in the amount of \$50 (no cash please) for each lot to be mowed. Checks should be payable to "Saddle Creek CSD Treasurer", 1000 Saddle Creek Drive, Copperopolis, CA 95228.

## DIRECTORS

SUE RUSS  
PRESIDENT

ROBERT KENYON  
VICE-PRESIDENT

STEVE MARSDEN  
SECRETARY

DENNIS MERRILL  
DIRECTOR

CHARLES ROBINSON  
DIRECTOR

Should you desire to handle weed abatement activities yourself or through a private contractor, please make sure your property is mowed prior to July 4, 2009. Dependent upon growth (if the average height of the grass becomes greater than 6"), a second mowing may be necessary prior to end of the 2009 Fire Season.

Due to the high risk of fires in our community it is essential that proper prevention measures are completed on a timely basis.

Please contact Maintenance Manager Greg Hebard at (209 768-5678) if you have questions regarding this matter.

Sincerely,

Charlie Martin, GM  
Saddle Creek CSD
